HOW TO PLAY

- Move lever to bump other cars off the side of the road for points.
- Lever up increases speed, Lever down decreases speed.
- Use jump button to land on and explode opponents' cars with no harm to your own.
- Avoid attacking cars, water and other obstacles by JUMPING over them.
- Remember you must be travelling at 100mph or more before you can JUMP. → JUMP OK!
- Always watch for the "WATERWAY ahead" warning sign and be prepared to JUMP. →

★Use the lever to jog your merry Chef over the ingredients—buns—hamburger patties—tomato slices—lettuce—cheese—and drop them onto the plates below.

★Avoid the animated characters—Mr. Hotdog™—Mr. Egg™—Mr. Pickle™—they're out to catch your Chef and bring him down.

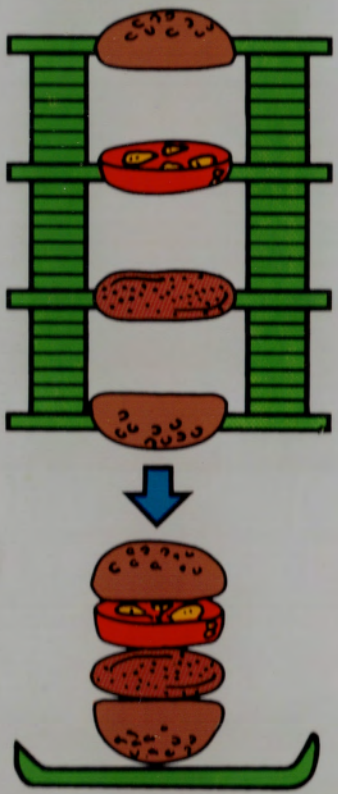
★Red button—press to toss pepper in the animated nasties' faces.(replenish pepper supply and get bonus points by picking up ice cream, cup of coffee, or french fries, when they show on the screen)

★The animated characters are nasty but they're also tasty, so why not mix them in your burger—drop a bun on them—or—drop the bun they're standing on. This is a great way to eliminate them from the screen and earn bonus points.

Technique 1

Drop an ingredient on which the nasty is standing and he falls several levels.

Technique 2

Drop an ingredient on top of nasty to squash him.


Use 4 way lever
