TRAINING

Training for beginners

- Follow the instructions of your instructor.
- You can go to your next training even if you fail.
- Aim for a high score.

OPERATION DESERT FIRE / OPERATION RED ROCK

For players who have flight simulation experience

- Destroy targets marked as **TG**.
- Destroy the numbers of **TG** targets needed to clear the mission.

CAUTION

To gain points, destroy as many enemies as possible.
Run out of ammunition, and the game is over.
